Tel. 413 568-1427 Fax. 413 568-4573

### About Industrial Technical Services

**Industrial Technical Services Inc. or ITS;** formerly Wyben Electric was founded in 1976. We were originally known for our Commercial and Industrial Electrical work and can now complete all MEP projects.

We offer a variety of services which include Electrical Wiring, Electrical System Design, Automation, Panel Design & Fabrication, Fire Alarm/Security Systems, Full HVAC Design and Installations, Full Plumbing Design and Installations, Facilities/Property Maintenance and we are excited to announce we now offer Robotic System & Design and Robotics Install.

**ITS is a company of the times and we believe communication is a vital key between customer and contractor.**

## Timely & Successful Completion of all projects, regardless of size
